This year's girl's tennis team, under the coaching of Theresa Requet, had a building season. Their young team consisted of one senior, four juniors, and two sophomores on the varsity squad. They started off their season with a rewarding victory over Rock Island, but ended with a 2-6 record, while the junior varsity was 2-5 for the year. The outstanding doubles team of Luanne Mirr and Molly Murphy advanced to state tournament play as juniors. They lost in the first round, but they will be back next year. Seeing you is like seeing myself.  
Reminding me of what I used to be like.  
Always worrying about things that weren't important,  
But now I've changed.

I think of the things that matter to me.  
That usually don't matter to anyone else.  
And those are the things that I hold important.  
And yes, I've changed.

I always thought love was important.  
For love is a part of life  
But love isn't all there is to life.  
Suddenly, I've changed

Reality some say is something real.  
Something you can grasp.  
But many can't grasp reality.  
And I know now I've changed

The truth is what many search.  
In hope to find a new life.  
The truth will set YOU free.  
Because the truth has set me free

Learning is a privilege to appreciate,  
Enriching our minds, don't hesitate,  
School is given for one to learn,  
To learn of life a mind may yearn.

Hating school is all wrong,  
Four years isn't that long.  
You need four years to learn to live,  
Alleman has a lot to give.

Freshman year is a bit rough,  
Everyone tries to act big and tough,  
Until the year is completely through,  
Then next year the teasing is what you'll do.

Sophomore and Junior are middle years,  
Looking for a future is one of many fears,  
Deciding what to do for later on,  
May bring a bright and glorious dawn.

Make sure to do your best,  
When you see results, you'll be at rest.  
It's hard to believe the years gone so fast,  
Few days are left-make them last.

Now you're a Senior and have to make up your mind.  
Looking for a career-one you hope to find.  
Graduation is only a few weeks away,  
The rest of your life is here to stay.
